

Newsletter: January 2007

We hope that you have had an amazingly Happy Christmas and that you are now raring to go for a very exciting 2007!

We recently travelled to Chipping Norton and Claire Hudson's practice; to present Lucy Gatling with her prize for the web-site competition, only to discover that she hails from Ivybridge and has shared many a fishing trip with one of our leading technicians! What a small world it is.

Phoenix held their annual Christmas Dinner at The Saunton Sands Hotel; an excellent evening with good company, good food and plenty of dancing to keep the waistlines in trim! We had hoped to bring you many more pictures of the event but unfortunately David "misaid" his camera.....probably just as well really!! It was also a pleasure to have the company of the members of Endsleigh Dental Practice.

Christmas Entertainment at The Saunton Sands Hotel

The news for 2007, as we enter the New Year, is that we are embarking on a new phase at Phoenix with an exciting Milling Unit due to be installed. We will shortly be able to "fill that gap" in a new way, and with the possibility of some more very useful special offers it's even more important to watch this space! There will also be some developments with the web-site, including more inter-active features, and information, we are sure that you will enjoy and benefit from these.

And finally... last week David was making his usual jibe at the low probability of winning some serious money on the lottery - only to discover that they have just scooped a cool £55000 between the 28 members of the Phoenix syndicate!!

Apparently it is all to do with synchronicity so we will wish you all a Happy, Prosperous and Synchronistic New Year !

Best Wishes, *The Phoenix Team*
