

News Letter: October 2006

Many thanks to everyone who returned the July 2006 Survey and a special thanks for the very kind and supportive comments many of you made.

We received 30% more forms this year and were very pleased with the results. One area we clearly need to address is publicising the Phoenix website. Apparently, most of you have not seen it so we thought this would be an opportunity to get you logged on.

The Survey results will therefore be published on the Phoenix website: www.phoenix-dental.co.uk. There will be a prize for the first three to give correct answers to this question. What were the responses to the survey question "How do you rate our website?" Now, why not get your PCs and Laptops booted up and "Google" it! Email your answer to mail@phoenix-dental.co.uk or call on 01392 444456. There is already some useful information to view or download and we will be adding much more to it in future on a regular basis.

And the July 2006 Survey prize draw winner is, Rachel Hamer of **thedentalspa**. The picture opposite shows Rachel receiving a bottle of champagne from Catherine Griffiths.

Following the hugely popular Dental Technicians' Day in Belfast last year, the DLA Northern Ireland Committee prepared an even bigger event at the Waterfront Hall Conference and Exhibition Centre which catered for all members of the Dental Team. Several high profile speakers including our own David Smith were on the agenda. David spoke on the subject of Statutory Registration with the GDC.

Kelvin and I can now speak with some personal experience of implants as we now sport no less than eight between us. All has gone well so far thanks to our dentist Dr Gustaf Eriksson plus the expert advice from Dave and the technical team at Phoenix.

Don't forget the **London Dental Showcase** (www.dentalshowcase.com) at ExCel on October 5th-7th inclusive, and be sure to visit us on stand C10a. We will also be running an informal competition for our visitors and there will be prizes so we look forward to seeing you soon!
